**PETITION TO ACCEPT RESPONSE FILED MARCH 5, 2002**  
**NOTIFICATION OF MISSING REQUIREMENTS NEVER RECEIVED**

Dear Sir:

I hereby petition to accept the Response filed on March 5, 2002, including the Combined Declaration & Power of Attorney, without payment of the extension fee.

On March 21, 2002, Debra M. Szumowski, a paralegal in our office, received a telephone call from Ms. Person in the PCT Office indicating that our Second Response providing materials to complete formality requirements of the Office, was received. However, a check in payment of an extension fee was not included in our Response.

I hereby state that a search of the file jacket and the docket records in my office indicates that the Notification of Missing Requirements, which was to have issued on or about October 25, 2001, was never received in our office.

Attached is a copy of the docket record where the non-received Notification of Missing Requirements would have been entered had it been received and docketed.

As additional evidence of non-receipt of this Notice, I also attach the following materials:

-2-

1. Affidavit of Richard J. Streit, a partner in our firm.
2. Affidavit of Debra M. Szumowski, a patent paralegal of our firm with supporting exhibits
3. Affidavit of myself

In consideration of these submissions, it is respectfully requested that the payment of the extension fee be waived due to the fact that the Notification of Missing Requirements was never received in our office.

The petition fee in the amount of \$130 is authorized to be charged to our Deposit Account No. 12-0400.

Respectfully submitted,

March 27, 2002
